President's Message

By Erik Rosengren

Dear Members:

I have just returned from Buffalo, N.Y. The carnage that two feet of wet snow, within 24 hrs., can create, is unimaginable. One has to see the devastation to comprehend it. Hurricanes notwithstanding, we are fortunate to reside in a beautiful area of the country that boasts 340+ days per year.

The club is also fortunate to have former club member Joe Constantino as our next guest speaker. His subject is "How to visualize images for competition." This program should be a good learning experience for all. See you Tues., Nov. 7 at the Largo Library at 7 PM.

Mary Burke is taking orders for our Club logo shirts. Mary has sent an e-mail to the Club members containing an order form. Please complete the form as to color and size and number of shirts desired. Return to Mary with cash or a check payable to her. \$29 each through size XL, or bring same to the meeting. The last day to place your initial order will be Nov. 21st.

The SCC Art Show opening will take place at the Summit Executive Center, Nov. 10th, from 6 to 9 p.m. Let us all try to bring a friend. I would appreciate it if every member that can, whether or not you are showing your work, will make an effort to attend and support your club.

Good Shooting, Erik

Mini-Essays coming in December

Now is the time to start thinking about your slide show or digital image presentations for the annual Mini-Essay night, to be held on Dec. 5 at the Largo Library. A pot-luck dinner will accompany the showings. All members can enter a mini-essay. Slides or digital images are acceptable. Content should be informative and/or entertaining on a subject of your choice. The presentation should last between three and five minutes. Examples are travel, nature, photojournalism, etc. Participants each receive 10 points for their efforts.

Club Calendar

Tues., Nov. 7, New Largo Library, Room C, 7 p.m.

We consider it a must-see event. During the presentation, Joe goes through many of the subjects that most of us are interested in: nature, photojournalism (including sports and street photography), documentary, portraits, graphics, still life, etc., and shows how to shoot each in a simple and effective way.
