President's Message

By Jim Goins

We are one-third thru this year and we continue to add new members and show a wide diversity of images. New members have commented on how they like the assigned subjects and the means by which they can have their images evaluated. The Program Night subjects have also been very interesting and educational. The one area of concern is for those who have participated in the President's Shoot and are not taking advantage of presenting their images on the "President's Shoot" section of our Web site. To date, other than the President's images, none have been submitted.

Again, I would recommend that members entering the print and slide categories take advantage of the early sign-up procedure. This procedure allows for you to e-mail your image names and then by return e-mail the respective image number. This eliminates the need to sign up at the back table prior to the meeting. All that is needed is your name; the category (i.e., color print large-general) and your classification. You can e-mail your entries to goinsrep@tampabay.rr.com. In any case, your entries must be at the back table by 6:45 p.m.

Our Club will be participating in judging the works from the Saguaro (Arizona) Camera Club, which will be held on June 5th at the Safety Harbor Library. We have also been asked by the F3C to judge their TriAnnual Competition in August or October.

Sid wins photo contest

Former SCC member Siddhardha Garige's photo of a great blue heron took first place in the recent First Coast Birding photo contest. If you want to view his photo, and others, here is a link to their Web site:

http://getaway4florida.com/bird_festival_2007, then click on "Photo Contest." Congrats to Sid, who unfortunately is no longer in the area due to a job transfer.
