FLORIDA CAMERA CLUB COUNCIL

Vol. L, No. 7, July, 2010. Founded 1960.

[www.suncoastcameraclub.org](http://www.suncoastcameraclub.org) • Member of the Photographic Society of America and the Florida Camera Club Council

### Portrait/Macro shoot

There will be a Portrait/Macro Shoot at the Roosevelt Hospice Saturday, July 31, from 1–5 p.m. Photographers will provide finished photos (digital or printed, as requested) to models. Jim Ickes is contact for this activity.

### Member's photos on exhibit

A selection of Jim Lucadam's photos will be on exhibit at the Palm Harbor Library during July–August. The display is titled "Palm Harbor Grunge," and are all buildings and scenes from Palm Harbor. Be sure to check out the exhibit next time you're there.

### Pinellas County Public Library contest

The contest ends July 17th. Dawn Nichols will serve on the judging panel as a representative of the club. Prizes are \$25, \$50 and \$75. "Water Works of Art" is the theme. Limit one photo submission only. More information at: [www.cityofsafetyharbor.com/DocumentView.aspx?DID=1616](http://www.cityofsafetyharbor.com/DocumentView.aspx?DID=1616) (Paste the link into your browser.)

Club member Jack O'Connell died June 18th, after a valiant struggle with cancer. Jack was a great supporter of the club and will be truly missed.

As a tribute to Jack, the club has donated \$150 to the Suncoast Hospice in his honor. A Commemorative Certificate will be sent from the Hospice Foundation to Lynda Logan, Jack's long-time companion.

Mary and George Burke created a touching photo tribute to Jack. It can be found at: [www.photodex.com/share/mary\\_burke/ck4](http://www.photodex.com/share/mary_burke/ck4). (Note that you may be asked to download a photo viewer in order to run the presentation. It is safe to download this small application.)

When picking up your prints following the evening's evaluations and critiques, please use care regarding other members' prints. The print surfaces are delicate and can be scratched, marred or bent easily, rendering them unusable for future use.
