### President's Message

By Tim Strong

Well, they say that all good things must come to an end. It has been my distinct pleasure serving you as president these past two years. I've learned a lot from all of you, and I can say without question that I have become a much better photographer since joining SCC. I believe that photo critique was the key to my improvement, as well as the wonderful camaraderie of our membership.

Upon reflection of my membership, SCC has been exactly what I had envisioned it would be, and during the years I have made some very good friendships. Our efforts through the years have produced incredible photographic works, and we are to be proud of our accomplishments.

Let us never forget what the core of SCC is all about: helping beginner photographers to reach their highest potential. If we always remember this, then certainly, SCC will remain forever.

### Dues are due

Dues for 2011 are payable, so be sure to submit them no later than the Jan. 4 meeting, so as to be eligible for year-end competition and to be included in the 2011 Yearbook. See Jeff Gentry or Treasurer-elect Robin Rebeck to pay.
