President's Message

By Jo Devine

I want to thank Jeff Gentry for all his time and work serving as president of SCC in the year 2011. His cheerful personality sparked enthusiasm in all for club events. Thanks to all the board members and committee chairpersons that helped to make 2011 a good year for SCC.

I am looking forward to the new year serving as president, hoping to bring new ideas, new experiences and new faces to our organization. We have some great programs scheduled for 2012 that will benefit all. Also, field trips are planned that I hope will spark interest and lots of participation. If anyone has suggestions for outings, or any other matter, please e-mail me or one of the other board members.

We have a great club with some incredible talent. Let's work together and strive for more recognition in local, national and international photography circuits. Working together and helping each other makes a good club and great club. Hope to see everyone at the Awards Banquet in February.
